

Large belt pouches

All pouches have belt loops on the back. Item C is a resculpted version of our old M16 mag pouch. Most pouches are priced for a pair, except for the BAR pouches, which are priced for a set of six because this is how the real thing is made.

Miscellaneous gear

This is all the gear that doesn't fall neatly into other categories. Most of this stuff can be found on page 4 of the order form, except for the shovels which are on page 3. The canteens can work with the Hasbro covers and vice versa. The "generic" canteen & cover goes great with uniforms from the 1960s through today- it's simply a plastic canteen without the small pocket on the cover. Many of these items are used in our complete uniforms, so check out the color photos too...
